Agency Information Collection Activities; Proposed Collection; Comment Request; Hazardous Waste Specific Unit Requirements, and Special Waste Processes and Types, EPA ICR No. 1572.13, OMB Control No. 2050-0050

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) is planning to submit the information collection request (ICR), Hazardous Waste Specific Unit Requirements, and Special Waste Processes and Types (EPA ICR No. 1572.13, OMB Control No. 2050-0050) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act (PRA). Before doing so, the EPA is soliciting public comments on specific aspects of the proposed information collection as described in **Supplementary Information**. This is a proposed extension of the ICR, which is currently approved through November 30, 2022. An Agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

DATES: Comments must be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: Submit your comments, referencing by Docket ID No. EPA-HQ-OLEM-2018-0757, at <https://www.regulations.gov> (our preferred method), or the other methods identified in the ADDRESSES section. Once submitted, comments cannot be edited or removed from the docket. The EPA may publish any comment received to its public docket. Do not submit to EPA's docket at <https://www.regulations.gov> any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points

you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>.

Due to public health concerns related to COVID-19, the EPA Docket Center and Reading Room are open to the public by appointment only. Our Docket Center staff also continues to provide remote customer service via email, phone, and webform. Hand deliveries or couriers will be received by scheduled appointment only. For further information and updates on EPA Docket Center services, please visit us online at <https://www.epa.gov/dockets>.

The EPA continues to carefully and continuously monitor information from the Centers for Disease Control and Prevention (CDC), local area health departments, and our Federal partners so that we can respond rapidly as conditions change regarding COVID-19.

FOR FURTHER INFORMATION CONTACT: Peggy Vyas, Environmental Protection Agency, 1200 Pennsylvania Ave., NW, Washington, DC 20460; telephone number: 202-566-0453; email address: vyas.peggy@epa.gov.

SUPPLEMENTARY INFORMATION: Supporting documents which explain in detail the information that the EPA will be collecting are available in the public docket for this ICR. The docket can be viewed online at www.regulations.gov. Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room is closed to the public, with limited exceptions, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone and webform. For further information about the EPA's public docket, Docket Center services and the current status, please visit us online at <https://www.epa.gov/dockets>. The telephone number for the Docket Center is 202-566-1744.

Pursuant to section 3506(c)(2)(A) of the PRA, the EPA is soliciting comments and

information to enable it to: (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility; (ii) evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (iii) enhance the quality, utility, and clarity of the information to be collected; and (iv) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval. At that time, the EPA will issue another Federal Register notice to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB.

Abstract: This ICR provides a discussion of all of the information collection requirements associated with specific unit standards applicable to owners and operators of facilities that treat, store, or dispose of hazardous wastes as defined by 40 CFR part 261. It includes a detailed description of the data items and respondent activities associated with each requirement and with each hazardous waste management unit at a facility. The specific units and processes included in this ICR are: Tank systems, Surface impoundments, Waste piles, Land treatment, Landfills, Incinerators, Thermal treatment, Chemical, physical, and biological treatment, Miscellaneous (subpart X), Drip pads, Process vents, Equipment leaks, Containment buildings, and Recovery/recycling.

With each information collection covered in this ICR, the EPA is aiding the goal of complying with its statutory mandate under RCRA to develop standards for hazardous waste treatment, storage, and disposal facilities, to protect human health and the environment. Without the information collection, the agency cannot assure that the facilities are designed and operated properly.

Form Numbers: None.

Respondents/affected entities: Entities potentially affected by this action are private sector and State, Local, or Tribal governments.

Respondent's obligation to respond: Mandatory (40 CFR §§261, 264, 265, and 266).

Estimated number of respondents: 2,018

Frequency of response: On occasion

Total estimated burden: 356,305 hours per year. Burden is defined at 5 CFR 1320.03(b)

Total estimated cost: \$11,197,174 (per year), includes \$1,452,841 annualized capital or operation & maintenance costs.

Changes in Estimates: The burden hours are likely to stay substantially the same.

Dated: March 11, 2022.
